PREFERRED SHOOT DATE

ARRIVAL TIME

BACKUP DATE

01 Shoot day

Above All Media SC will photograph the property on the date agreed above, with an arrival time chosen for the best natural light. The Client will have the cottage clean, staged and guest-ready, with lights working and personal items put away, and will give access for the whole session.

02 Delivery

Edited stills are delivered within 72 hours of the shoot through a private online gallery: full-resolution files plus a web-sized set ready for Airbnb, VRBO and the MLS. Preview images may carry an Above All Media SC watermark; clean full-resolution files are released when the balance is paid.

03 Payment

The total is $240.00 after the one-time 20% Facebook coupon. $120.00 reserves the shoot date and is due at signing. The remaining $120.00 is due on delivery of the gallery. The coupon applies to this agreement only.

04 Weather and rescheduling

Exterior and drone work depend on weather. If rain, wind or poor light would hurt the results, Above All Media SC will reschedule at no cost. The Client may reschedule with 48 hours' notice at no cost; the deposit carries over to the new date.

05 Drone flights

All flights are made by an FAA Part 107 certified pilot and follow FAA rules, local airspace limits and property boundaries. Shots that safety or airspace rules do not allow will be replaced with the closest safe alternative.

06 Use of the photos

The Client receives a non-exclusive, perpetual license to use the photos to market and rent 102 Alljoy Road, including Airbnb, VRBO, the MLS, websites, social media, email and print. Above All Media SC keeps the copyright. The photos may not be resold or licensed to other businesses without written consent.

07 Portfolio

Above All Media SC may show the photos in its own portfolio and marketing. No guest information or the Client's personal details will be shared. The Client may ask in writing for any image to be left out.

08 Our promise

If any room does not meet the Client's expectations, Above All Media SC will reshoot that room once, at no charge, within 14 days of delivery.

09 Limitation of liability

Above All Media SC carries its own equipment risk. Its total liability under this agreement is limited to the amount paid. Neither party is responsible for delays caused by events outside its control.

10 The whole agreement

This document is the complete agreement between the parties and may be changed only in writing signed by both. It is governed by the laws of South Carolina. Electronic and typed signatures are as binding as signatures in ink, and a signed copy sent by email counts as an original.
